SOAP UP

THE BIG GAME - PHOENIX

SATURDAY, JAN 28, 2023 • 8:00AM - 1:00PM

Paradise Valley Community Center • 17402 N 40th St • Phoenix, Arizona

Human Trafficking is the second leading crime in the United States and the fastest growing criminal industry in the world. Arizona is one of the top states for this crime. Large events like the Big Game increase the opportunity for our children to become victimized. The average age of entry into trafficking is 13.

We need volunteers to label bars of soaps and makeup remover wipes for the hotels/motels in and around the Phoenix area. During this process you will receive training on how to recognize the signs of human trafficking. Afterward, for those who wish, we will deliver (utilizing teams of 3-4 people) the soaps, wipes, educational materials and missing teen posters to approximately 250 hotels.
